Ordering a Painting

The first step is to contact me by phone or e-mail to discuss your idea and forward any photographs/reference material. To avoid copyright infringement **if you are using photographs please make sure you have permission to use them if they are not your own.** For larger paintings and only if it is practical to do so, I can take my own reference photographs/sketches. In most cases and for smaller works this is not possible. Once I have images and if they are suitable (good quality photographs) I will discuss your painting with you, answer any queries and advise you on the best way to proceed and give you a price. Once you are happy to go ahead a non-refundable deposit of 20% is required to secure your order. For larger paintings I will sketch out the composition for approval before commencing the final piece. I ship worldwide and I can also quote for framing if required.
