I have many years experience in commissioned work both for individuals and businesses. Here is a general price list based on the most popular sizes. I get very busy so if it is for a special occasion/deadline it is wise to book ahead.

Painting Size (inches)		Fees in euros		
		Oil	Watercolour	Pencil/ Charcoal
30 x 40		5,000		
24 x 36		4,000	2800	2450
20 x 30		3,000	2000	1750
20 x 24		1,800	1500	1000
16 x 24	A2 approx	1,600	1200	850
16 x 20		1,200	800	600
16 x 16		850	600	500
12 x 16	A3 approx	700	500	420
12 x 12		550	400	300

These prices and sizes are just a guide. Prices may differ slightly depending on the complexity of the work involved. Prices do not include frames or post/shipping but I can quote for both. Watercolours, pencil drawings/charcoal are delivered with an acid free mount ready to frame. Due to the drying time of oils expect approximately six weeks before delivery.

Ordering a painting

The first step is to contact me (phone, whatsapp, e-mail) to discuss your idea and forward any photographs/reference material. To avoid copyright infringement **if you are using a photograph that is not your own please make sure you have permission to use it.** For large paintings and only if it is practical to do so, I can take my own reference photographs/sketches. In most cases and for smaller works this is not possible. Once I have images, and if they are suitable, I will advise you on the best way to proceed and give you a price. Once you are happy to go ahead a non-refundable deposit of 20% is required to secure your order. For large paintings I will sketch out the composition for approval before commencing the final piece.
